Guardians of New Zealand Superannuation - Hospitality Register 1 July 2013 – 31 December 2013

As outlined in the Guardians' Code of Conduct, receiving hospitality is appropriate in some circumstances. These circumstances include:

- Incumbent investment managers' client functions where accommodation is offered to all clients;
- Meals and/or accommodation provided as part of business-as-usual work with incumbent investment managers; and
- Relationship-building with professional advisers, or other service providers.

Participating in industry networking functions is also an appropriate and necessary part of our work.

Guardians employees are not permitted to accept hospitality during a tender, due diligence, procurement or appointment situation.

**Guardians of New Zealand Superannuation - Gift Register
1 July 2013 – 31 December 2013**

As outlined in the Guardians' Code of Conduct, receiving gifts is appropriate in some circumstances. These circumstances include:

- A formal gift from a sovereign wealth or pension fund, or a national representative;
- Gifts to recognise speaking participation in forums.

Guardians employees are not permitted to accept gifts during a tender, due diligence, procurement or appointment situation. It is also organisational policy that any gifts received become the property of the Guardians, not the individual. Gifts are either shared with the team, or pooled and auctioned as part of an annual staff event and the proceeds donated to charity. Any exceptions have been noted.
