

Biography of Anne-Maree O'Connor

Anne-Maree O'Connor

Head of Responsible Investment

Anne-Maree O'Connor is Head of Responsible Investment for the New Zealand Superannuation Fund (NZSF). Her main role is the development and oversight of the Guardians' responsible investment (RI) framework which includes integrating environmental, social and governance considerations across the New Zealand Superannuation Fund's investments. Anne-Maree was a Commissioner on the Financial Sector Commission on Modern Slavery and Human Trafficking (Liechtenstein Initiative) supported by the UN during its mandate. She is a member of the NZ Sustainable Finance Forum and represents NZSF on the One Planet Sovereign Wealth Fund initiative on climate change. Anne-Maree is a past board member of the RI Association Australasia and a recipient of the Women of Influence 2017 award for Board and Management.

Anne-Maree has over 20 years of RI experience in senior roles including Managing Director of CoreRatings and Associate Director RI at Aviva's Morley Fund Management.
